In 2022, we will restore a measure of safety and security to 263-273 children to address the increased need resulting from the pandemic by Dec. 31, 2021	194/100	194/100	Services are court ordered, we can not ask this question.	Services are court ordered, we can not ask this question.	In 2022, between Apr. 1, 2022, and June. 30, 2022, we restored a measure of safety and security to 175 children or 91 families/households to address the increased need resulting from the pandemic. Year to date, we have served 194 children of 100 families/households.	
In 2022, CASA of the Fox Cities will assist the child victim in understanding and participating in the criminal justice system by having a CASA advocate or staff person in attendance at more than 340 court hearings.	194/100	194/100	Services are court ordered, we can not ask this question.	Services are court ordered, we can not ask this question.	75 court hearings attended or 97.3% of advocates/staff attend all court hearings to advocate on behalf of the child and assist victims in understanding the criminal justice system.	
In 2022, we will respond to the emotional, psychological, or physical needs of child crime victims by recommending an average of 8+ services per child. For example, in 2021 we identified and recommended 1,838 critical services for the children to best meet their needs (355 counseling services, 129 education services, 118 medical referrals, 928 requests for permanence, 9 requests for placement, 244 visitations with siblings, and 55 other services for the child, and/or parent).	194/100	194/100	Services are court ordered, we can not ask this question.	Services are court ordered, we can not ask this question.	In 2022, (April.-Jun.) we responded to child crime victims' emotional, psychological, or physical needs by recommending an average of 3 services per child. In the second quarter of 2022, we identified and recommended 595 critical services for the children to best meet their needs (132 counseling services, 53 education services, 20 medical referrals, 245 requests for permanence, 16 requests for placement, 83 visitations with siblings, and 46 other services for the child, and/or parent).	

<p>In 2022, we will assist child victims in stabilizing their lives after victimization (education) by ensuring that 80% or more of school-age children will maintain or improve their educational rating from 1/1/22 to 12/31/22.</p>	<p>* Too early to evaluate</p>	<p>* Too early to evaluate</p>	<p>Services are court ordered, we can not ask this question.</p>	<p>Services are court ordered, we can not ask this question.</p>	<p>* Too early to evaluate</p>
